

Innovation
that excites

2019 MAXIMA®

WELCOME TO THE 2019 NISSAN MAXIMA DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Nissan Maxima.

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

NISSAN MAXIMA®

Isn't it time you were passionate about the car you drive? Welcome to the 2019 Maxima.

Follow Nissan Canada on:

Transform your drive from elevated to inspiring at the touch of a button. Feel 300 horsepower push you deeply into a sculpted sport seat. Experience Nissan Intelligent Mobility™ technologies that make every drive more confident, connected, and exciting.¹ The 2019 Maxima®. Tech that moves you.

Display Commander

Drive Mode Selector

Climate-controlled seats⁶

UNLIMITED ENGAGEMENT

Maxima® connects you to your drive like no other. Rotating the centre console towards the driver gives you an easy reach to key controls. The standard Advanced Drive-Assist® Display serves up information at a glance.^{2,3} Nissan Door to Door Navigation with Premium Traffic and smartphone connectivity put your world at your fingertips.^{4,5} No detail was overlooked – the ergonomically designed shift lever, Display Commander, and Drive Mode Selector are all grouped together to fall readily to hand.

Nissan Maxima® Platinum shown in Charcoal Premium Ascot Leather. U.S. instrumentation shown.

ANDROID AUTO™

Designed with safety in mind, Android Auto™ is an easy, seamless way to use your compatible phone in your Maxima. Larger touch targets, a simplified interface, and easy-to-use voice actions help minimize distraction so you can stay focused on the road.⁹

APPLE CARPLAY®

Apple CarPlay® lets you access the apps on your compatible iPhone® directly through Maxima's screen, while you take advantage of the steering wheel controls to adjust volume and toggle functions. Siri® comes along, recognizing voice commands and providing personalized music selections, directions, and more.⁹

PURE AMBIENCE

Technically, the term is "Wow". There's no better way to describe it – the perfect expression of driving exhilaration with elegance and style. The quality of materials. The ideal placement of controls. The long list of luxuries you expect – and a few you hadn't even thought of. It's clear that a great deal of time was spent, so that every moment in the Maxima® excites.

NISSAN ADVANCED DRIVE-ASSIST® DISPLAY IT'S EVEN A QUICK READ

Maxima helps you focus on what's most important: driving. From turn-by-turn directions⁴ to caller ID – even Intelligent Driver Alertness^{6,10} that warns you if it senses you need a break – the 178 mm (7") Advanced Drive-Assist Display lays it all right before your eyes. You can even change the colour of the Maxima on the display to match your tastes.^{2,3}

A BOLDER RIDE THROUGH LIFE

Imagine being surrounded by confidence on every drive. Nissan Intelligent Mobility includes features that monitor in front of you, behind you, and on either side. You'll make every move with greater awareness and even get an assist when you need it most.¹

GET A HAND WHEN YOU WANT IT

Intelligent Emergency Braking with Pedestrian Detection
Monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.^{6,11}

Intelligent Cruise Control
Watches the flow of traffic to take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.¹²

Intelligent Lane Intervention
Get some help staying in your lane. When lane markings are clear, Intelligent Lane Intervention detects if you're straying out of your lane and taps the brakes to help gently guide you back.^{6,15}

Rear Intelligent Emergency Braking
Monitors the area directly behind your vehicle for stationary items you might not see. If it detects an item, and you fail to stop, it can automatically engage the brakes to help avoid a rear collision or lessen the severity of an impact.^{6,16}

SEE AND SENSE MORE AROUND YOU

Intelligent Forward Collision Warning
On the lookout when you can't see what's going on ahead. This standard feature watches two cars ahead, monitoring your speed and distance, and when it detects sudden deceleration, it gives you a heads-up to slow down.¹³

Blind Spot Warning
Change lanes with confidence. This feature keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.¹⁴

Rear Cross Traffic Alert
Back out of a space with more confidence. This feature watches around the rear of your Maxima, and can warn you about cars it detects creeping up on you from either side.¹⁷

Intelligent Around View® Monitor
Makes parking easy with a virtual 360° bird's-eye view of your Maxima and selectable split-screen close-ups of the front, rear, and curbside views. It also gives you an on-screen heads-up when it detects moving objects near your vehicle.^{6,18,19}

PAINT AND FABRIC

Charcoal Leather | SL

Charcoal Premium Ascot Leather with Alcantara® Inserts | SR

Charcoal Premium Ascot Leather | Platinum

Cashmere Premium Ascot Leather | Platinum

Nano-pigment paint. Maxima® colour Carnelian Red features a nano-pigment technology where the paint pigments are ground 10 times finer than those found in traditional paint. The resulting finish is stunning, with an exceptionally deep, wet, lustrous look.

Nissan has taken care to ensure that the digital colour swatches presented here are the closest possible representation of actual vehicle colours. Swatches may vary slightly due to viewing light or screen quality. Please see the actual vehicle and colours at your dealer.

GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; available for finance and backed by Nissan's 3 year/60,000 km Accessories limited warranty when installed by dealer at time of your vehicle purchase.²¹

- A. **Rear Diffuser**
Go with the flow. Add a stylish touch.
- B. **Sport Pedals**
Track-inspired grip and looks.
- C. **18" Aluminum-alloy Wheels**
Aggressively styled, exclusively for Maxima®.
- D. **Interior Accent Lighting**
For a grand entrance every time.

- Additional Accessories:
- External Ground Lighting
 - Rocker Panel Mouldings
 - Illuminated Kick Plates
 - Shift Knobs
 - All-season Floor Mats
 - Interior Trim Appliqués
 - Trunk Organizer
 - Trunk Protector (Rubber)
 - Premium Rear Spoiler
 - And More

See your Nissan dealer for details, or go to accessories.nissan.ca

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2019 Nissan is covered by a 3 year/60,000 km²² Comprehensive New Vehicle Warranty, a 5 year/100,000 km²² Powertrain Warranty, an 8 year/130,000 km²² Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

¹Availability of features vary by vehicle model year, model, trim level, packaging, and options. ²Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³Information displayed is dependent on how vehicle is equipped. ⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁶Available feature. ⁷Front seats and rear outboard seats only. ⁸Provincial laws may apply. Review before using. ⁹Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash navigation and SOS, are dependent upon the telematics device being used. Its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ¹⁰Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ¹¹Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹²Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹³Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ¹⁴Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹⁵Intelligent Lane Intervention only operates when lane markings are detectable. See Owner's Manual for safety information. ¹⁶Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁷Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁸Intelligent Around View Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁹Virtual composite 360° view. ²⁰Extra cost option. ²¹See your Nissan Dealership and read the actual limited warranty. ²²Whichever occurs first. ²³XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2019 Sirius XM Canada Inc.
