NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

2019 MICRA®

Innovation that excites

Live boldly with Nissan Micra. Break away from the pack (and the gas station) with fun-to-drive agility and impressive fuel economy. Say yes to European design, connect with the 177 mm (7") touch-screen display, and shine on with chrome in all the right places. Take pride in the fact that you're driving The Car Guide's "Best Buy" City Car for three years running. The 2019 Nissan Micra. Regardless of your plans, you've made the right choice for today.

Nissan Micra

BY THE CAR GUIDE... 2019

FROM THE ROAD TO THE TRACK

Nissan Micra® is designed for your everyday life, with outstanding quality, agility and manoeuvrability that makes it extraordinarily fun to drive. These qualities are pushed to their pulse-pounding limit in the Nissan Micra Cup™ racing series.¹ We take the production Micra S MT – the same one you can drive home – add track-ready safety equipment, and put it to the test with redline-pushing excitement that can only be found on the racetrack. The best part? We invite you into the driver's seat.

CONNECT WITH A TOUCH The 2019 Nissan Micra® lets you stay connected to your wider world with your smartphone and the 177 mm (7") touch-screen display. Need a question answered? Ask Siri.® Just connect your iPhone® via Bluetooth.®2,3 **ADAPT IN A SNAP** From end to end, Micra's neat and versatile storage spaces let you keep your car tidy, so storing and retrieving stuff is a piece of cake. No more sliding items or digging for your things. Stash beverages in dedicated holders up front or on your door, and even on the back of the centre console for your rear passengers. Store important items in your glove compartment or the map pockets on the doors. And when you need room for larger items, you can fold down the 60/40 split rear seats at the pull of a lever to create 819.5 L (28.9 cubic feet) of space.4 Nissan Micra® SR shown in Sport Charcoal Cloth.

MICRA® SV FEATURES

Micra SV makes your drive feel like the best part of the day. Gain instant access with keyless remote entry and get a better view with heated power outside mirrors. Enjoy your drive with the Bluetooth® Hands Free Phone System^{2,3} and the air conditioning system.5

Isn't it time you were passionate about the car you drive? Welcome to the 2019 Micra.

Follow Nissan Canada on:

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
