ROGUE®

**Innovation
that excites**

NISSAN  INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

¹Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ³Availability of features vary by vehicle model year, model, trim level, packaging, and options. ⁴Front seats and rear outboard seats only. ⁵Available feature. ⁶Slide function should not be performed with the Child Restraint System occupied. ⁷Passengers should not ride in the reclined position while the vehicle is in motion. ⁸Provincial laws may apply. Review before using. ⁹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁰Information displayed is dependent on how vehicle is equipped. ¹¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ¹²Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ¹³ProPILOT Assist cannot prevent collisions. Always monitor traffic conditions and keep both hands on the steering wheel. See Owner's Manual for safety information. ¹⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁵See Owner's Manual for safety information. ¹⁶IAVM cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁷Virtual composite 360° view. ¹⁸RCTA may not detect all vehicles. See Owner's Manual for safety information. ¹⁹BSW cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ²⁰LDW and LLI operate only when lane markings are able to be detected. See Owner's Manual for safety information. ²¹IEB and IEB with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²²ICC uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²³RIEB cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²⁴2020 Fuel Economy Estimate 7.1 L/100 km (40 MPG) highway for Rogue® FWD. Actual mileage may vary with driving conditions – use for comparison only. ²⁵ITC cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²⁶Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ²⁷Extra cost option. ²⁸Not available when equipped with ProPILOT Assist. ²⁹Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. ³⁰Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ³¹Whichever occurs first. ³²Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ³³XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ³⁴Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³⁵RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ³⁶Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁷Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁸Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ³⁹Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁴⁰VDC cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ⁴¹2020 Fuel Consumption Estimate. Actual mileage may vary with driving conditions – use for comparison only. Android Auto™, Google, Google Assistant™, Google Maps™, YouTube® and other marks are trademarks of Google LLC. NISSAN  INTELLIGENT MOBILITY™

There's capability. Then there's Nissan Rogue® capability. What's the difference? Think driver assistance that can step in when you need it and available Intelligent All-Wheel Drive that adapts to a rainy commute or weekend ski trip.¹ You can load groceries in a snap and stack tricky cargo with an adjustable set of shelves and dividers, or stash valuables out of sight.² This is tech for everyday adventure. This is Nissan Intelligent Mobility.³

Nissan Rogue® SL Platinum shown in Scarlet Ember with accessory Chrome Rear Bumper Protector.

GO AHEAD AND DEMAND MORE

Rogue® delivers, with impressive front head room and the supreme comfort of fatigue-reducing Zero Gravity front seats.^{4,5} The 2nd row slides and reclines,^{6,7} so you can adjust for maximum leg room, more cargo space,² or anywhere in between. And with tasteful touches throughout, this is one natural, relaxed, and decidedly upscale environment.

Sporty D-shaped heated steering wheel⁵

Zero Gravity power front seats with driver's seat memory system^{4,5}

Tan Leather appointments with quilted inserts⁵

Nissan Intelligent Key® with Remote Engine Start System^{5,8}

Dual Panel Panoramic Moonroof⁵

Nissan Rogue® SL Platinum shown in Tan Leather.

SURROUND YOURSELF IN REFINEMENT

With technology that keeps you comfortable and connected, and inspired design that pays attention to the little things, Rogue® is a nice place to be. Quick Comfort® heated front seats focus on key areas to warm you up as soon as possible, keeping you toasty up front. While Dual Zone Automatic Temperature Control⁵ and a power passenger seat⁵ let your co-pilot have things just the way they like it.

Advanced Drive-Assist® Display From trip computer to turn-by-turn directions, the Advanced Drive-Assist Display serves up info right in front of you – helping to minimize time looking away.^{5,9,10}

A MORE CONFIDENT, EXCITING, AND CONNECTED RIDE

Nissan Intelligent Mobility is changing how you move forever. You'll drive with greater awareness and can even get an assist when you need it. Everything gets easier too, as you seamlessly sync from your smartphone to your Rogue® and the world around you. This is the future of driving, and it's here for everyone right now.³

NISSAN INTELLIGENT MOBILITY™

GET AN ASSIST WHEN YOU NEED IT

Intelligent Emergency Braking with Pedestrian Detection⁵

Rogue looks out ahead and for people crossing in front of you. Intelligent Emergency Braking with Pedestrian Detection monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can also automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.²¹

Intelligent Lane Intervention⁵

Rogue helps keep you in your lane. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.²⁰

Intelligent Cruise Control⁵

Watches the flow of traffic to take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.²²

Rear Intelligent Emergency Braking⁵

Monitors the area directly behind your vehicle for stationary items you might not see. If it detects an item, and you fail to stop, it can automatically engage the brakes to help avoid a rear collision or lessen the severity of an impact.²³

SEE AND SENSE MORE AROUND YOU

Intelligent Around View® Monitor⁵

Four cameras make parking easy with a virtual composite 360° bird's-eye view of your Rogue. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen heads-up when it detects moving objects near your vehicle.^{16,17}

Rear Cross Traffic Alert

Fear no parking lot. When you're backing out of a space, Rear Cross Traffic Alert watches around the rear of your Rogue and can warn you about cars it detects creeping up on you from either side.¹⁸

Blind Spot Warning

Wait. Was that a car over there? Rogue with Blind Spot Warning keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.¹⁹

Lane Departure Warning⁵

Lane Departure Warning helps make sure you change lanes only when you mean to. If the system detects that you're drifting over, it'll warn you.²⁰

NISSAN ProPILOT ASSIST⁵

Stress less and enjoy the drive even more. With the groundbreaking ProPILOT Assist, your Rogue takes care of the little things – like helping to keep you centred in your lane, and following the car ahead at a preset distance. It can even bring your Rogue to a full stop based on the traffic flow, and can bring you back up to speed when traffic starts moving again.¹³

U.S. instrumentation shown.

PERFORMANCE FOR EVERY DAY, POWER FOR YOUR NEXT ADVENTURE

Rogue®'s efficient 4-cylinder engine and Xtronic CVT® (Continuously Variable Transmission) help ensure exceptional highway fuel economy, along with amazingly smooth power delivery as you breeze past the pump. And with Eco Mode, saving has never been simpler. Push the dash-mounted button, and Rogue automatically adjusts to help further improve your fuel economy.^{2,24}

Eco Mode

Saving made simple. Push the dash-mounted button, and Rogue's Eco Mode automatically adjusts to help you maximize fuel economy.

7.1 L/100 km
(40 MPG)²⁴
170 HP
175 LB.-FT. TORQUE

NISSAN INTELLIGENT MOBILITY™

INTELLIGENT ALL-WHEEL DRIVE (AWD)⁵

It's so responsive, it can adapt to changing conditions 30 times faster than the blink of an eye. Snow, rain-covered pavement or tight turn, the system automatically sends power to the wheels that need it most. Even in ideal conditions, Rogue's Intelligent AWD helps you move with more confidence – our passionate engineers also tuned the system for responsive, agile performance. Getting a grip has never been more fun.¹

DRIVE MORE LIKE A PRO

Whether it's stop-and-go traffic, your favourite on-ramp, or even just an annoying speed bump, Rogue uses advanced technology that works a little magic behind the scenes to help make every drive feel more comfortable, confident, and enjoyable.

Intelligent Engine Brake

Get smoother deceleration when cornering or coming to a stop. Intelligent Engine Brake uses the Xtronic CVT to apply engine braking, for more level and confident stopping. And to keep your bag from flying off the passenger seat.

Intelligent Trace Control

Hug the curves with handling that feels effortless. Intelligent Trace Control reads the situation and, if needed, can brake each wheel individually to help you steer smoothly through the corners.²⁵

Active Ride Control

Bump? What bump? Active Ride Control can automatically apply the brakes and adjust engine torque to smooth out your ride, turning those mountains into molehills.

Hill Start Assist

When you're on a steep hill, there always seems to be that car behind that's too close for comfort. Thankfully, hill start assist helps stop you from rolling backwards. It holds brake pressure for a few seconds, giving you enough time to switch from the brake pedal to the accelerator.

MOTION ACTIVATED LIFTGATE⁵

Now you've got easier access to your Rogue than ever before. Hands full? Just kick under the rear bumper to automatically open the Motion Activated Liftgate, without reaching for a key or juggling whatever you're carrying.²

ROOM FOR CRAFT AND CREW

With room for an object up to 2.4 metres (8 feet) long, Rogue® gives you possibilities you never knew you had. And with a clever folding rear seat pass-through, there's plenty of room to bring friends along.²

UP TO
1,112 LITRES
(39.3 cu. ft.)
Five of you and your gear.²

UP TO
1,982 LITRES
(70.0 cu. ft.)
You, a passenger, and lots of cargo.²

DIVIDE-N-HIDE®

Single-handedly reinventing capability, the Divide-N-Hide Cargo System lets you adapt in a snap. An adjustable set of shelves and dividers gives you a variety of configurations. It's so easy, you can do it with one hand.²

OUR TECHNOLOGY, YOUR ENTOURAGE

Let our people help look after you and your people. With NissanConnect Services, you have a selection of plans and services ranging from customizable alerts to calling for help if the system senses there's been an accident. Hey, that's what friends are for.^{5,8,26}

NISSAN INTELLIGENT MOBILITY™

APPLE CARPLAY®

People to see? Places to be? Just ask Siri.® Equipped with Siri,® Apple CarPlay® (shown below) brings on board to your Rogue® your contacts, favourite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.²⁶

ANDROID AUTO™

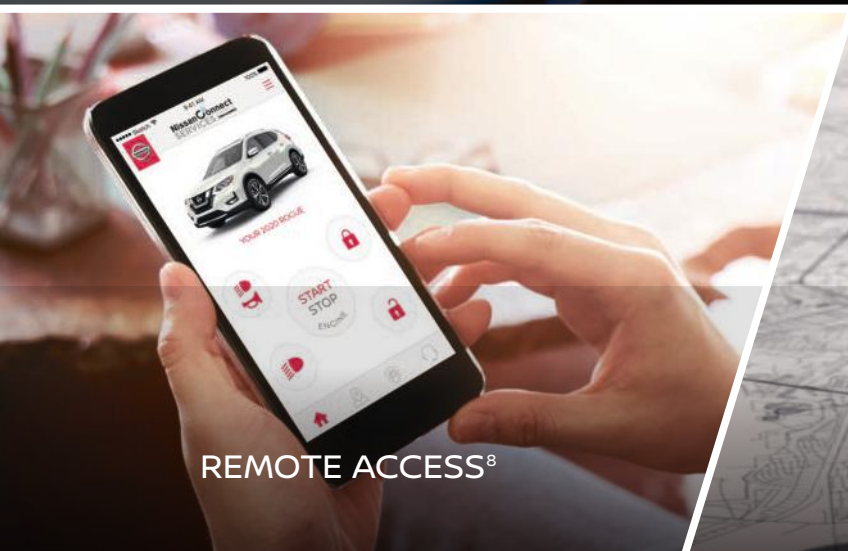

Know where you're going and when. Google Maps™ helps you navigate to your next appointment, while your Google Assistant keeps you on top of your schedule. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands.²⁶

EMERGENCY PREPAREDNESS

CUSTOMIZABLE ALERTS

REMOTE ACCESS⁸

CONVENIENCE SERVICES

With nine speakers,⁵ it's like you're in the front row

Nine speakers strategically placed throughout the cabin provide a rich sound that upgrades your listening experience. The Bose® Premium Audio System is custom-tuned by Bose® engineers to take advantage of the unique interior acoustics inside of your Rogue. The front-row sound is so good, it's the next best thing to being there.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2020 Nissan is covered by a 3 year/60,000 km³¹ Comprehensive New Vehicle Warranty, a 5 year/100,000 km³¹ Powertrain Warranty, an 8 year/130,000 km³¹ Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan’s environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we’re improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN ROGUE®
Isn’t it time you were passionate about the vehicle you drive? Welcome to the 2020 Rogue.
