NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

1Available feature. 2Limited availability. 3Do not drive the vehicle with the top partially opened. Always make sure the top is either fully opened or closed before driving. See Owner's Manual regarding proper use. "Tires shown are different from actual production vehicle. "Extra cost option. "Coupe only. "Roadster only. "Whichever occurs first. "Manual transmission only. "RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. "Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. 12Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. 13 Airbags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. Also, in addition to any other requirement of applicable law, all children 12 and under should be properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. 14Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. 15XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. 370Z° COUPE AND ROADSTER

Every drive is something special. The battle cry of a legendary 332-HP VQ V6 paired with the world's first rev-matching manual transmission. The relentless cornering grip of a dynamically balanced chassis talking to you through a driver-focused cockpit. The 2020 Nissan 370Z.® This is tech that begs to be driven. This is tech that moves.

Nissan 370Z* Sport Coupe shown in Passion Red.

3.7 LITRE V6 332 HP 270 LB.-FT. TORQUE

2020 370Z[®] 50TH ANNIVERSARY EDITION²

DRIVING A Z® DOESN'T JUST SAY SOMETHING, IT SAYS EVERYTHING

The 50th Anniversary Edition makes the ultimate statement with a unique two-tone exterior, body graphics, and badging. Inside, bespoke 50th Anniversary Edition leather-trimmed seats, Alcantara®-trimmed steering wheel, tachometer graphics, special commemorative badging, and available 50th Anniversary floor mats are worthy of a true icon.

A PERFECT BALANCE OF CONFIDENCE AND CONTROL

Designed to conquer corners, the Nissan 370Z starts with a low centre of gravity and a short wheelbase for quick response.

Bring it all together with an enthusiast's wish list of high-performance componentry, and you'll find pure joy as the 370Z elevates handling science into pure performance art.

THE DRIVER, FIRST AND FOREMOST

Gauges that move with the steering column, ensuring a clear view. A driver's seat with special cutaways that give arms and legs room to move. From the moment you get in, you can tell – the Z[®] interior has been custom-tailored to give you the drive of your life.

U.S. instrumentation shown.

nismo[®]

What happens when the inspired engineers at NISMO are let loose on the 3702®? You get 350 horsepower surrounded by a NISMO-tuned suspension and a driver-focused interior, all wrapped in a jaw-dropping NISMO-designed aerodynamic body. Obsessive? Perhaps. Extraordinary? Most definitely.

550_{HP}

Competition-tuned handling. Competition-inspired design. Serious grip starts with specially tuned springs, shocks, and stabilizer bars designed to satisfy the most demanding enthusiast. Extra braces on the front strut tower bar and special vibration dampers on the front body frame rail and rear subframe are added for impressive overall body rigidity and the feel of a controlled ride. A true work of performance art, the 370Z NISMO entices the eye with its 19" RAYS® forged alloy wheels, high-downforce body, aggressive front and rear fascia, and rear diffuser.

Actual mileage may vary with driving conditions - use for comparison only.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN 370Z®

Isn't it time you were passionate about the car you drive? Welcome to the 2020 370Z.
