Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Android Auto™

Talk to Google on Android Auto and get things done with your voice. Easily send messages, get directions, control media and more. Just say, “Hey Google” or, in compatible cars, long-press the voice control button on your steering wheel to get started.^{2,5,9,10}

It’s even a quick read

Nissan Advanced Drive-Assist® Display Maxima helps you focus on what’s most important: driving. From turn-by-turn directions⁵ to caller ID — even Intelligent Driver Alertness¹¹ that warns you if it senses you need a break — the 178 mm (7") Advanced Drive-Assist Display lays it all right before your eyes.³ You can even change the colour of the Maxima on the display to match your tastes.³

Remote start from your phone

With NissanConnect® Services, you can remotely start your vehicle from nearly anywhere your compatible smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even find your parked vehicle’s location. Now that’s technology built for you.⁹

Apple CarPlay® integration

People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® (shown above) brings on board to your Maxima your contacts, favourite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.^{2,5,9,10}

Standard Safety Shield® 360

Imagine being surrounded by confidence on every drive. Part of Nissan Intelligent Mobility,™ Safety Shield 360 includes features that monitor in front of you, behind you, and on either side and can step in to help keep you safe. The following features come standard on every 2022 Nissan Maxima.®^{1,12}

See and sense more around you

Intelligent Cruise Control Watches the flow of traffic to take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.²⁰

Intelligent Forward Collision Warning Maxima is on the lookout when you can't see what's going on up there. Intelligent Forward Collision Warning watches up to two cars ahead, and when it detects sudden deceleration in front of you, it gives you a warning to slow down.²¹

Intelligent Around View® Monitor Four cameras make parking easy with a virtual composite 360° bird's-eye view of your Maxima. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen heads-up when it detects moving objects near your vehicle.^{6,18,19}

Intelligent Lane Intervention Maxima helps keep you in your lane. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.^{6,17}

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Tailpipe Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
