2021
ALTIMA®

¹Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ²Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ³Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁴ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. ⁵Available feature. ⁶Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ⁷Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁰Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹¹Lane Departure Warning and Intelligent Lane Intervention operate only when lane markings are able to be detected. See Owner's Manual for safety information. ¹²Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹³Virtual composite 360° view. ¹⁴Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁵Provincial laws may apply. Review before using. ¹⁶Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ¹⁷Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁸Information displayed is dependent on how vehicle is equipped. ¹⁹Extra cost option. ²⁰Leather appointments. ²¹Whichever occurs first. ²²Cargo and load capacity limited by weight and distribution. Always secure cargo. ²³Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²⁴Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²⁵RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ²⁶Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²⁷Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ²⁸Does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ²⁹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ³⁰XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2021 Sirius XM Canada Inc. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ³¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³²Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ³³Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁴Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³⁵Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ³⁶Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁷Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁸Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁹2021 Fuel Consumption Estimate. The 2021 Nissan Altima® Impossibly Smart

Unlock the pure joy of driving. How? With a suite of available safety features that can respond to the world around you in real time.¹ Confidence from standard Intelligent All-Wheel Drive.² And surprising connectivity before you even reach the driver's seat.³ Nissan Altima. This is tech that changes every part of your drive. This is Nissan Intelligent Mobility.™¹

Standard Intelligent All-Wheel Drive

Altima® gives you peace of mind in weather conditions you never thought a sedan could take on. Part of Nissan Intelligent Mobility™, Intelligent All-Wheel Drive continuously monitors road conditions, and responds in an instant, sending power to the wheels that need it most.^{1,2}

ProPILOT Assist

Stress less and enjoy the drive even more. With the groundbreaking ProPILOT Assist, your Altima takes care of the little things – like helping keep you centred in your lane, and following the car ahead at a preset distance based on your speed. It can even bring your Altima to a full stop based on the traffic flow, and can bring you back up to speed when traffic starts moving again.^{4,5}

Intelligent Around View® Monitor Keep your pride and rims intact. Intelligent Around View Monitor makes parking easy with a virtual composite 360° bird's-eye view of your Altima. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen alert when it detects moving objects near your vehicle. We're looking at you, shopping cart.^{5,12,13}

Intelligent Cruise Control Go with the flow. Intelligent Cruise Control watches the flow of traffic to take the tedium out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.^{5,14}

Intelligent Lane Intervention Stay between the lines. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.^{5,11}

An elevated experience for everyone

Altima®'s premium interior provides a refined environment for all. An open, airy layout provides a good look ahead while everyone enjoys leather-appointed seats.⁵ And rear passengers can charge up faster than ever with a USB-C port.³

Get inside at “just right”

Altima's Remote Engine Start System with Intelligent Climate Control helps cool or heat your cabin to the perfect temperature before you even get in.^{5,15}

Apple CarPlay® integration

People to see? Places to be? Just ask Siri.® Equipped with Siri®, Apple CarPlay® brings on board to your Altima your contacts, favourite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.^{3,16}

Android Auto™

With Android Auto, you can keep your eyes on the road and hands on the wheel while using your voice to play your favourite song, navigate home, or respond to a text hands-free. Just say, “Hey Google” or long-press the voice control button on your steering wheel.¹⁶

Remote start and more from your phone

With NissanConnect® Services, you can remotely start your vehicle from nearly anywhere your smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even find your parked vehicle's location. Now that's cool.^{15,16}

Take control of how you connect

Enjoy technology that knows what you like. Step inside and you'll discover instant connectivity and a 178 mm (7") Advanced Drive-Assist® Display that can be customized with what's important to you. And with premium audio,⁵ your personal soundtrack sounds better than ever.^{17,18}

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2021 Nissan is covered by a 3 year/60,000 km²¹ Comprehensive New Vehicle Warranty, a 5 year/100,000 km²¹ Powertrain Warranty, an 8 year/130,000 km²¹ Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
