

Electrify your life

Experience a new force of wonder. Drive smoothly, quietly, and sustainably with thrilling e-4ORCE™ AWD electric power on tap. Swipe the massive dual displays, touch the haptic feedback controls, or control ARIYA® with your voice. Sit back, relax, and let ARIYA assist you through stop-and-go traffic or into your next parking space. This is what it's like to live electric.^{1,2,3,4,5}

A PREMIERE worth the red carpet

A vehicle this extraordinary deserves special treatment. The ARIYA PREMIERE edition takes an already exceptional design and gives it an even more distinctive look inside and out. From eye-catching bronze 19" wheels to luxurious Nappa leather-appointed seats and exclusive PREMIERE badging — this is one EV that feels right at home in the spotlight.

ARIYA® is designed to stun the world

Sleek, aerodynamic lines and a timeless design move ARIYA beyond the confines of a conventional SUV. The Japanese Kumiko style of woodwork inspires ARIYA's front grille, signature light blades, and taillights. This crafted detail also extends into the door panel, digital display, and floor lantern below — intimately interconnecting the exterior to the interior. A stunning experience no matter how you view it.²

Technology that plugs into your senses

Chances are, you've never experienced anything quite like ARIYA.® Instead of traditional buttons, you'll find dazzling illuminated controls that react with haptic feedback when pressed. The integrated display interface features dual 312 mm (12.3") widescreens that are breathtaking to see and simple to use. Communication is seamless, thanks to next-generation voice control. And with Intelligent Route Planner, you can stay on course and on schedule.^{2,5,6,7,8}

- Haptic touch controls
- Integrated display interface²
- Voice control⁶
- Firmware Over-the-Air Updates⁹
- Wireless charging^{10,11}
- Wireless Apple CarPlay® integration⁸

U.S. instrumentation shown.

Wireless Apple CarPlay® integration Equipped with Siri® voice control, wireless Apple CarPlay® brings your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your ARIYA.^{6,8,10,12}

Advanced Head-Up Display The advanced Head-Up Display projects vital details onto the windshield, merging entertainment and information like never before.^{10,13}

Gravity has finally met its match

Electrify every adventure. A dual-motor, e-4ORCE™ All-Wheel Drive system elevates traction and stability beyond weather. By monitoring energy output and braking response at each wheel, e-4ORCE can produce high-precision control. The kind that can help tame snow-covered roads and wet or icy surfaces.^{1,4,10}

Movement is effortless. Power, seemingly limitless. Press the accelerator, and e-4ORCE responds astonishingly, propelling ARIYA® up to speed with remarkable force and poise. Need to get through a storm? e-4ORCE precisely meters out power to each of its wheels, individually, so you can navigate slippery roads with more confidence.^{1,4,10}

e-4ORCE

NISSAN
INTELLIGENT
MOBILITY™

With ProPILOT® Assist, you can relax and enjoy the drive

With the push of a button, ProPILOT Assist with Navi-link can automatically help you manage ARIYA's speed and distance, so you can flow with traffic. It can even help keep you centred in your lane. And using highway mapping, if an off-ramp appears, it can help you slow down. Tight parking spot? Push the ProPILOT Park button, and let ARIYA take over and glide right into the spot — whether it's back-in or parallel.^{10,14,15}

Charge at home With a dedicated wall charger, you can plug into the easy life and wave goodbye to the gas pump.^{16,17}

Charge smart Schedule your home charging from your smartphone and choose times when electricity rates are lower. That means you can set charging to start while you sleep, and wake up to an ARIYA 100% ready to go.^{8,16,17}

Charge on the go An ever-expanding public charging network, including fast charge stations, lets you venture out there with confidence.^{17,18}

Intelligent Route Planner This digital tool makes every journey seamless — from syncing the climate control system with your departure time, to giving you the quickest route to your destination and locating fast chargers along the way. This is next-level road-tripping.^{5,7,8,18}

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. Please visit our website [Nissan.ca/finance](https://nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2023 Nissan is covered by a 3 year/60,000 km²² Comprehensive New Vehicle Warranty, a 5 year/100,000 km²² Powertrain Warranty, an 8 year/130,000 km²² Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus[®] Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Tailpipe Emission vehicles like the 100% electric LEAF,™ we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
