# Armada® makes every day exciting

Premium looks and room for up to eight meet the capability to expand what your next adventure could be. The chiseled exterior gives way to first-class interior luxury that will change what you come to expect from an SUV. And with 18 standard driver assistance features, you can feel confident whether you're cruising the highway or navigating a rock-laden trail.\*

## Even the grandest plans are well within reach

Armada® may be a full-size SUV, but even from the driver's seat, we designed the intuitive layout of the dash to give you easy access to all the controls. Add in a luxurious interior that puts as much emphasis on style as it does on comfort. Putting those big plans into action has never been more rewarding.

## NissanConnect® 312 mm (12.3") touch-screen display

Big enough to display the apps you want with sharper images. Smart enough to offer customization, one-line destination search, and more.<sup>2,21</sup> And to channel this new sense of control, Armada introduces a Display Commander, located in the centre console. Want over-the-air map and software updates? Standard. Wireless Apple CarPlay®<sup>23</sup> Standard. Living large shouldn't be an option.

U.S. instrumentation shown.

## Wireless Apple CarPlay® integration

People to see? Places to be? Just ask Siri.\* Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Armada. No need to plug in. Your world is now freed from wires.<sup>3,5,21,22</sup>

## Android Auto™

Talk to Google on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, "Hey Google" or, in compatible cars, long-press the voice control button on your steering wheel to get started.<sup>3,5,21,22</sup>

## Standard Nissan Safety Shield® 360 and driver assist technologies

#### INTELLIGENT 4x4

Get a grip on your adventurous side, faster than the blink of an eye

Imagine a 4WD system so advanced, it responds instantly to changing road conditions and continuously adjusts the amount of power distributed to each axle to help maintain control. And when the pavement turns to dirt or snow, a 2-speed transfer case helps keep things moving. What does all this mean for you? Feeling empowered with a greater sense of command, no matter the road or the season.<sup>24</sup>

ZIP — Intelligent 4x4 delivers power to both front and rear wheels for improved grip from the get-go. SIP — Once you're up to speed, the system sends all of the power to the rear, resulting in higher efficiency.<sup>25</sup> GRIP — In slick conditions and tight corners, the system transfers the optimal amount of power from front to rear.<sup>24</sup>

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Tailpipe Emission vehicles like the 100% electric LEAF,\* we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
