¹Available feature. ²Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. ³Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal reception, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co., Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ⁴Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁵Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁶2023 Fuel Consumption Estimates L/100 km (MPG) — 7.7 (37) City / 6.6 (43) Highway / 7.2 (39) Combined. Actual mileage may vary with driving conditions. Use for comparison only. ⁷Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ⁸Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁹Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ¹⁰Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹¹Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. ¹²Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ¹³Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁴Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁵Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁶Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹⁷Lane Departure Warning only operates when lane markings are able to be detected. See Owner's Manual for safety information. ¹⁸Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Move to your own beat

Express your personal style in the 2023 Nissan Kicks.[®] Thread the needle through city streets with satisfying precision. Feel your playlist like never before with a premium sound system.¹ Connect in an instant with compatible smartphone integration.^{2,3} Style meets technology in the Nissan Kicks.

Nissan Kicks[®] SR Premium shown in Two-tone Electric Blue Metallic / Super Black.

A detailed view of the interior of a Nissan Kicks SR Premium. The image shows the driver's perspective, featuring a black leather-trimmed steering wheel with silver accents and the Nissan logo. Behind the wheel is a digital instrument cluster displaying speed, RPM, and other vehicle metrics. The center console has a large, rectangular touchscreen display showing a navigation map and media controls. Below the screen are physical buttons for climate and other functions. The gear shift is located in the center console, and the handbrake is visible to the right. The interior is finished with black leather and features orange contrast stitching on the seats and dashboard. The car is parked on a city street, with other vehicles and buildings visible through the windows.

Be the headline act

From the centre armrest¹ to a huge 203 mm (8") customizable colour touch-screen display,² the 2023 Kicks[®] interior was designed to put you first.⁴ Details like a D-shaped steering wheel and distinctive contrast stitching³ make you and your crew feel like the centre of attention.

Find a shortcut to more possibilities

Kicks® opens up a world of limitless possibilities with easy access and flexible cargo. With a liftgate that opens high enough for you to stand under, it's never been easier to make the most of every day. The cargo cover helps keep your gear away from prying eyes and is easily removable when you're carrying a lot of cargo.¹⁵

Fit whatever you're into

Flexible Cargo Configurations Weekend trip for three? The 60/40-split fold-down rear seats mean there's plenty of room for your crew and all their stuff. And with the second row folded down, Kicks has more than enough room to handle all the gear for your next gig.⁵

MOBILITY™

Get even more driver assistance

Intelligent Cruise Control Go with the flow. Intelligent Cruise Control watches the flow of traffic to take the tedium out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.^{7,8,10}

Standard smartphone integration

Apple CarPlay® Integration People to see? Places to be? Just ask Siri!® Equipped with Siri® voice control, Apple CarPlay® brings on board to your Kicks® your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more. It even works with your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.^{2,3,7,8}

Android Auto™ Talk to Google on Android Auto and get things done with your voice. Easily send messages, get directions, control media, and more. Just say, "Hey Google" or, in compatible cars, long-press the voice control button on your steering wheel to get started.^{2,3,7,8}

BOSE

Premium audio

Expect your own personal concert on every drive with Bose UltraNearfield speakers built right in to the driver's headrest.¹

Cold-weather features

Remote Engine Start System On hot days, the Remote Engine Start System with Intelligent Climate Control can adjust temperature and airflow for a quick cool-down.¹¹

On chilly days, you can remotely start your vehicle to return it to a comfortable temperature before leaving home or work.¹¹

Heated front seats Heated front seats take the edge off chilly mornings and feel great on your back in any weather.¹

Heated steering wheel Don't forget about your hands. The heated steering wheel offers welcome warmth on cold days.¹

SAFETY AND DRIVER ASSIST FEATURES

Blind Spot Warning Wait — was that a car over there? Kicks with Blind Spot Warning can help keep an eye on the blind spot area and can give you an alert if it detects a vehicle hiding there.¹⁶

Lane Departure Warning Hold it right there. Lane Departure Warning helps make sure you change lanes only when you mean to. If the system detects that you're drifting over, it'll warn you.¹⁷

High Beam Assist Another bright idea. High Beam Assist helps your late-night drives, turning down your high beams when it senses oncoming traffic.

Technology that looks out for others

Intelligent Emergency Braking with Pedestrian Detection Monitors your speed and distance between you and the car ahead and can let you know if you need to slow down. It can also automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.¹³

Technology that watches your back

Rear Automatic Braking Trash pickup days can be an obstacle course. Not to worry. Kicks also watches out behind you for large stationary items you might not see. If it detects an item and you fail to stop, it can automatically engage the brakes.¹⁴

Rear Cross Traffic Alert Fear no parking lot. When you're backing out of a space, Rear Cross Traffic Alert watches behind your Kicks and can warn you about cars it detects creeping up on you from either side.¹⁵
