

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future - moving us to a world that's safer, more sustainable, and exciting.

THE NISSAN Z[®]

2023

¹Horsepower and torque figures based on premium fuel only. ²Available feature. ³Manual transmission only. ⁴Automatic transmission only. ⁵Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ⁶Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁷Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Horn feature in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ⁸Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ¹⁰Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹¹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹²Lane Departure Warning only operates when lane markings are able to be detected. See Owner's Manual for safety information. ¹³Cargo and load capacity limited by weight and distribution. Always secure cargo. ¹⁴Whichever occurs first. ¹⁵Extra cost option. ¹⁶Leather appointments. ¹⁷Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁸XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2022 Sirius XM Canada Inc. The Sirius[®] XM[®] and SiriusXM[®] names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ¹⁹Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²⁰Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²¹Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²²RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ²³Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ²⁴Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ²⁵Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ²⁶Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ²⁷Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²⁸Airbags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. Also, in addition to any other requirement of applicable law, all children 12 and under should be properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. ²⁹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁰Vehicle must be on for the Easy-Fill Tire Alert to operate. ³¹2023 Fuel Consumption Estimates L/100 km (MPG) — 13.4 (21) City / 10.0 (28) Highway / 11.9 (24) Combined for Nissan Z with Manual Transmission; 12.3 (23) City / 8.6 (33) Highway / 10.6 (26) Combined for Nissan Z with Automatic Transmission. The power of The Nissan Z®

I had one. I have one. I will have one. For every enthusiast, there is a time when the call is too great to resist. The purposeful design. A cockpit that wraps around you. The relentless thrust of six cylinders pointing that long nose toward the horizon. Unmistakable, pure, and true. That's the power of Nissan Z.

2023 Nissan Z® heritage

Rewriting the rules of sports cars since 1969

240Z (1970–1973), **260Z** (1974), **280Z** (1975–1978)

The tradition begins. Check out the yellow 240Z originally owned by Yutaka “Mr. K” Katayama — the father of Nissan Z.

300ZX® (1984–1989)

All-new, with a V6 engine under the hood for the first time.

350Z® (2003–2009)

The Nissan Z returns after a six-year hiatus. Its sleek design carries many 240Z styling cues.

280ZX (1979–1983)

A more luxurious interior and available T-top roof make the Nissan Z a capable grand tourer.

300ZX® (1990–1996)

Wide, low, and distinctive, with an available twin-turbocharged engine — another first for the Nissan Z.

370Z® (2009–2020)

The most powerful Nissan Z ever, topped off by the awe-inducing 350-horsepower 370Z NISMO.®

2023 Nissan Z® Proto Spec

Because first impressions are everything

The pulse-raising Nissan Z Proto Spec offers exclusivity, excitement, and exhilarating performance. A numbered badge helps mark its place in history, and with very limited quantities being built...seeing one will be rare. And seeing one stopped — well, this is a sports car that loves to be driven.

Exclusive bronze-finish forged wheels and yellow brake calipers

Unique 19" bronze-finish RAYS® forged-alloy wheels and yellow brake calipers create a stunning presence and promise thrilling performance.

Exclusive yellow-accented interior

Eye-catching yellow interior accents, including yellow stitching throughout the cabin, offers the perfect amount of visual pop.

Two-tone yellow and black exterior

Using a special painting process, the Ikazuchi Yellow TriCoat creates the perfect neutral yellow you see here.

Tech that performs like a sports car

Knowledge is power. The more, the better. The Nissan Z® keeps you informed quickly, brilliantly, and stunningly. Perfect for whatever your drive requires.⁵

- 12.3" Digital dashboard with dedicated Sport Mode display
- Iconic triple pod gauge cluster
- NissanConnect® 8" touch-screen display⁶
- Apple CarPlay® integration⁷
- Android Auto™⁷

400-horsepower, twin-turbo V6 engine

At the heart of the Nissan Z[®] is this 3.0-litre V6 twin-turbocharged 24-valve engine. An aluminum-alloy block and heads keep things light, while a water-cooled intercooler helps keep things cool. Tech brings power with 350 lb.-ft. of torque starting at under 1,600 rpm.¹

6-speed manual and 9-speed automatic transmissions

An upgraded 6-speed manual transmission with SynchroRev Match^{®2} means pure driving thrills. A 9-speed automatic with shift-by-wire controls² brings cutting-edge technology and response. The hardest part? Choosing only one.

A chassis built to respond

The all-new Nissan Z is designed to handle your favourite roads with new monotube shocks and suspension tuning for enhanced response. Strong and lightweight aluminum and carbon-fibre composite components,³ plus massive 19" RAYS[®] super-lightweight forged wheels with new performance tires,² will put a G-induced smile in every turn.

Launch control and mechanical limited-slip differential²

The first on any Nissan Z — launch control⁴ helps reduce wheel spin and hop, by holding the engine at a preset rpm and modulating power as you pull away to give you the fastest, most-consistent acceleration every time. Combined with Nissan Z's mechanical limited-slip differential,² it lets you enjoy every last rpm that powerhouse serves up.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2023 Nissan is covered by a 3 year/60,000 km¹⁴ Comprehensive New Vehicle Warranty, a 5 year/100,000 km¹⁴ Powertrain Warranty, an 8 year/130,000 km¹⁴ Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program

available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Actual mileage may vary with driving conditions — use for comparison only.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Tailpipe Emission vehicles like the 100% electric LEAF,[®] we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN Z®

Isn't it time you were passionate about the vehicle you drive?
Welcome to the 2023 Nissan Z.
